

## The Ideal Candidate

With more than 1,200 advisers we know how to recognise the crucial ingredients for success. Many of our most successful advisers joined us with nothing more than a positive attitude and a willingness to learn. Could you be our next recruit?

# Determined & Resilient

### Ready for a new challenge.

We don't necessarily need experience but determination is essential. We're looking for people up for a challenge, ready to carve a professional career in financial services from even the humblest of beginnings. We need a positive attitude, integrity, incredible personal commitment and a strong motivation to help others.

# Friendly & Personable

### Make people feel comfortable.

Owl advisers have to be good communicators – warm, friendly, approachable, courteous and caring. Easy to talk to. Easy to understand. Easy to get on with.

# Outgoing & Active

## **Respected in the community.**

Growing a business with Owl requires contacts – people to communicate with. Advisers are at the heart of the community, so joining Owl as an active member of clubs, societies, associations or other groups is a bonus. Whatever the situation, we help new recruits devise strategies to reach more people and grow a business.

Our most successful advisers understand how to build networks. They're friendly and naturally connected to people in many different ways.

# Energetic & Enthusiastic

## **Keen to learn regardless of experience.**

Our ideal candidates are raring to go and keen to learn. Personal attributes are more important to us than academic qualifications. We're looking for a genuine desire to do things better, a willingness to learn, a thirst for knowledge. With the right individuals, we can teach everything else.
